SECURITY ADVISORY

ARRIVAL OF MATERIAL TO THE SHOW

We recommend that your personnel be present in the booth to receive your material and to take inventory. Freight shipped in advance to the official contractor will be delivered on the first day of installation. Any discrepancy in merchandise received should be reported to the general contractor and show management immediately.

MOVE-IN

While setting up booths that contain small and easily pilfered items, you should use safeguards such as chaining of items, locking showcases and containers, or covering the display with a tarp. Private guards are also available on a rental basis from our security contractor. *Please do not put any articles of value in a crate or carton that is designated for "empty" storage*.

DURING THE SHOW

All displays should develop and publish a schedule that ensures floor coverage at all times. Booth personnel should plan to be in the display one (1) hour prior to the show's official opening each day and should remain in the booth during all show hours. If for any reason you must leave the booth, try to make provisions for coverage.

Special safeguards should be made for personal items such as handbags, personal computers, coats, etc. Show Management is not responsible for any items under any circumstance.

At the close of the show each night, someone should remain in the display until all attendees have been cleared from the floor. Exhibitors who wish to remove any merchandise from the exhibit hall at any time, must obtain a "Merchandise Pass-out" from Show Management.

MOVE-OUT

All hand carried merchandise must be carried through the main entrance. Exhibitor must have proper identification and a merchandise pass-out. Removal of merchandise cannot begin prior to the official show closing.

Once a display and merchandise has been packed for shipping, exhibitors should remain with their materials until they have been removed from the exhibit floor by the drayage personnel. Each outbound crate or carton must be properly labeled for shipment.

While adequate guard service will be provided by Show Management around the clock, it is the responsibility of each exhibitor to take whatever precautions necessary to prevent loss or damage. Show Management assumes no liability or responsibility for any loss or theft. It is incumbent upon the exhibitors to provide their own insurance coverage.

MUSIC LICENSING

The issue of music licensing has become a growing concern at meetings and shows. It is required by law that any music, whether mechanical or live, played at meetings or shows obtain permission from ASCAP (American Society of Composers, Authors, and Publishers) or BMI (Broadcast Music Incorporated). These organizations protect the rights of their members (authors, composers, and publishers of music) by licensing users, collecting a fee, and distributing approximately 80-85 percent of the fee to copyright owners.

If your company plans to play music, either live or recorded, during the exposition in your booth or at any special event you may be holding during the show, you must notify both BMI and ASCAP and complete the appropriate licensing forms. BMI and ASCAP are two different licensing organizations, and each has its own catalogue of music, but agreement with ASCAP does not permit the playing of BMI licensed music which may result in paying both ASCAP and BMI. It is to your benefit to find out if the music you intend on playing is copyrighted and in the repertory of BMI, ASCAP or both. This can be done very easily by notifying either or both of these organizations at the following addresses:

ASCAP BMI
1 Lincoln Plaza 320 W. 57th Street
New York, NY 10023 New York, NY 10019
212-595-3050 or toll-free 800-627-9805 800-669-4264

Violations of the Copyright Law can be severe and expensive. Damage costs can be no less than \$500.00 and no more than \$20,000.00 for each song infringed, plus court costs & in the court's discretion, reasonable attorney fees.

Union Rules & Regulations

Washington, DC

To assist you in planning for your participation in this Washington, DC show, we are certain you will appreciate knowing in advance that union labor will be required for certain aspects of your exhibit handling. Please review the following to better understand the different jurisdictions of the Washington, DC unions.

Exhibit Installation and Dismantling

Hargrove currently has an agreement with the Local 491 Union to provide labor for display installation and dismantling. Full time employees of the exhibiting company may set their own exhibits without assistance from this local union so long as the exhibit can be set without the use of power tools. Labor services that may be required beyond what your regular full time employees can provide, may be carried out by the Union. Labor can be ordered in advance via online ordering or at show site by visiting the Hargrove Service Desk.

Material Handling

Full time employees of the exhibiting company may hand-carry their own materials into the exhibit venue without the use of dollies, hand trucks or other mechanical equipment. Hargrove currently has an agreement with Local 491 Union and will control access to the loading docks, manage the unloading and loading of freight and the operation of all mobile equipment to provide a safe, and efficient load in and out.

Gratuities

Current work rules prohibit the solicitation or acceptance of tips or gratuities in any form. Please do not tip any Hargrove employee (union or non-union), as all are paid at an appropriate wage scale.

In General

Any questions arising regarding union jurisdictions or practices should be directed to the Hargrove manager on the floor. Craftsmen at all levels have been instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor.

A Note about Safety

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support standing weight. Hargrove is not responsible for injuries or falls caused by the improper use of rental furniture. If assistance is required in assembling your booth, please order installation and/or dismantling labor via our online storefront and the tools and ladders required will be provided. Please assist us in our efforts to provide a safe working environment for everyone.

1. GENERAL PROVISIONS.

- (a) Definitions. As used throughout this Exhibitor Terms and Conditions (this "Agreement"), the following terms have the following meanings: (i) "Hargrove" means, collectively, Hargrove, LLC, a Maryland limited liability company, and its officers, directors, managers, employees, agents, representatives, affiliated companies, related entities, successors and assigns, including but not limited to any subcontractors which Hargrove may retain; (ii) "Exhibitor" means, collectively, you, the exhibitor at the subject Show, and your officers, directors, managers, employees, agents, labor which you elect to secure from Hargrove, representatives, affiliated companies, related entities, successors and assigns, including but not limited to any subcontractors which you may retain; (iii) "Show" means each and every event or show in which Hargrove serves as the general service contractor or for which Hargrove otherwise delivers or makes available a Service Manual to the Exhibitor; and (iv) "Service Manual" means, collectively, the service manual, manual package, and/or rate card, and all corresponding checklists, schedules, forms, rules, regulations, procedures, policies, guidelines, tool manuals, information, order forms, and other documentation which Hargrove provides or otherwise makes available to the Exhibitor in connection with a particular Show, as the case may be.
- (b) Acceptance. All the terms and conditions set forth in this Agreement and each Service Manual (collectively, "Terms and Conditions") constitute a part of the contractual relationship between Hargrove and the Exhibitor. The Exhibitor shall automatically be deemed to have accepted all of the Terms and Conditions, regardless of whether they are set forth in this Agreement or the Service Manual, upon the occurrence of any of the following: (i) the Exhibitor's execution of Hargrove's Payment Form; (ii) the Exhibitor's placement of any order with Hargrove, including but not limited to material handling, labor, rental equipment or any services rendered; or (iii) the Exhibitor's participation in a Show. By participating in a Show in which Hargrove serves as a general services contractor, the Exhibitor acknowledges that it shall derive economic benefit from the services Hargrove provides and, as consideration for such economic benefit, the Exhibitor hereby accepts and agrees to comply with all Terms and Conditions.

2. PAYMENT TERMS.

- (a) Payment. Full payment for all services, including any applicable tax, is due at the time the order is placed or services will not be rendered. All payments must be tendered in immediately-available U.S. funds and all checks must be drawn on a U.S. bank. Hargrove will issue a final invoice ("Final Invoice") for any unpaid charges after the completion of the Show. Any outstanding balance shall accrue interest at the rate of one- and one-half percent (1.5%) per thirty (30) days until paid in full. Interest will begin to accrue beginning on the thirtieth (30th) day following the final day of the Show. If the Exhibitor provides a credit card for payment and charges are rejected by the Exhibitor's credit card company for any reason, the Exhibitor authorizes Hargrove to continue to attempt to secure payment through that credit card for as long as unpaid balances remain on the Exhibitor's account.
- (b) Disputed Charges. Upon the commencement of the Show, the Exhibitor may obtain a statement of the Exhibitor's account ("Exhibitor Account Statement") at the Hargrove Service Center. The Exhibitor is responsible for reviewing all charges contained on the Exhibitor Account Statement prior to the completion of the Show. If the Exhibitor disputes any charges appearing on the Exhibitor Account Statement, it must notify Hargrove in writing prior to the close of the Show of the dispute and the basis therefor. If Hargrove does not receive written notice concerning a disputed charge prior to the close of the Show, the Exhibitor shall be deemed to have accepted all charges as reflected on the Exhibitor Account Statement. No adjustments will be made to items appearing on the Exhibitor Account Statement after the close of the Show. For any charges appearing on the Final Invoice that did not appear on the Exhibitor Account Statement, the Exhibitor shall have thirty (30) days from the date of the Final Invoice to notify Hargrove in writing of any disputed charges and the basis therefor. Failure to provide written notice of a disputed charge within thirty (30) days of the Final Invoice shall be deemed an acceptance of all charges contained on the Final Invoice.

- (c) Collection of Unpaid Charges. If the Exhibitor fails to pay any charge when due and owing under the terms of this Agreement or any other agreement governing payment obligations between Hargrove and the Exhibitor, Hargrove may engage a collection agency or legal counsel to collect the unpaid balance, in which case the Exhibitor shall be responsible for all costs associated with collecting the unpaid balance, including but not limited to any reasonable attorneys' fees incurred by Hargrove.
- (d) No Right of Offset. In the event of any dispute between the Exhibitor and Hargrove regarding any loss, damage or claim, the Exhibitor shall not withhold payment, or any partial payment, due to Hargrove as an offset for the alleged loss or damage. Any such dispute shall be resolved independently from the Exhibitor's payment obligations to Hargrove for services rendered.
- (e) Cancellation or Postponement. If the Show is cancelled (or postponed) five or more business days prior to commencement of installation because of reasons beyond Hargrove's control, the Exhibitor will be refunded 100% of the charges for Standard Furnishings (Tables & Drapery, Chairs & Accessories), Standard Carpet and Padding ordered from Hargrove. If the Show is cancelled (or postponed) less than five business days prior to the commencement of installation, the Exhibitor remains responsible for all charges. If the Show is cancelled (or postponed) because of reasons beyond Hargrove's control, the Exhibitor remains responsible for all other charges for services and equipment not listed above ordered from Hargrove up to and including the date of cancellation/postponement. Cancellation fees, including fees to cover any costs incurred by Hargrove, will be due immediately upon any such cancellation or postponement by Exhibitor. EXHIBITOR EXPRESSLY AGREES THAT IT HAS READ, AND AGREES TO, THIS CANCELLATION POLICY, AND THAT THE CANCELLATION CHARGES DESCRIBED IN THIS PARAGRAPH ARE REASONABLE AND APPROPRIATE UNDER THE CIRCUMSTANCES STATED, AND THAT SUCH CANCELLATION CHARGES ARE NOT A PENALTY. EXHIBITOR FURTHER ACKNOWLEDGES AND AGREES THAT THIS POLICY SHALL APPLY IN THE EVENT OF ANY CANCELLATION/POSTPONEMENT BY EXHIBITOR IRRESPECTIVE OF THE REASON FOR SUCH ORDER CANCELLATION/POSTPONEMENT AND SHALL ALSO APPLY IN THE EVENT OF THE CANCELLATION OR POSTPONMENT OF THE SHOW FOR ANY REASON BEYOND HARGROVE'S CONTROL.
- (f) Payment for Advanced Costs. The Exhibitor shall be charged, and the Exhibitor agrees to pay, all such charges that Hargrove may be obligated to pay on behalf of the Exhibitor and all such charges that Hargrove reasonably determines may be necessary to advance on behalf of the Exhibitor, including but not limited to any shipping charges.
- (g) Third-Party Billing. In the event that the Exhibitor has arranged for an exhibit house or such other third party to handle the Exhibitor's billing, a Third-Party Billing Agreement must be completed. The Exhibitor is responsible for all charges incurred at the Show, should the Exhibitor's appointed display house or such other third party fail to meet the required payment terms as more particularly set forth herein.
- (h) Additional Fees and Other Charges. The Exhibitor shall have thirty (30) days from the date of the Final Invoice:
 - i. to notify Hargrove in writing of any credit card changes necessary for billing purposes such as transferring payments from one credit card to another, and after this date a processing fee will apply to any payment transfers;
 - ii. to request in writing any back-up documentation such as receiving reports, weight tickets, labor tickets, etc., and after this date a processing fee will apply; and
 - iii. to present a valid tax exemption certificate for the state in which the event is held, and after this date Hargrove will not be able to honor the exemption.

3. MATERIAL HANDLING.

- (a) Responsibility for Exhibitor Materials. The protection of all the Exhibitor's materials, including but not limited to its exhibit, booth properties, company products, personal belongings to include laptops, mobile devices, purses, etc. and all collateral materials belonging to the Exhibitor (collectively, "Exhibitor Materials"), is the sole responsibility of the Exhibitor. The Exhibitor agrees to ensure all Exhibitor Materials from the time they depart the Exhibitor's premises until they are returned to the Exhibitor's premises after the Show. HARGROVE AND ITS SUBCONTRACTORS DO NOT INSURE THE EXHIBITOR MATERIALS AGAINST LOSS OR DAMAGE AND WILL NOT COMPENSATE THE EXHIBITOR FOR THE FULL REPLACEMENT VALUE SHOULD LOSS OR DAMAGE OCCUR TO THE EXHIBITOR MATERIALS.
- (b) Delivery. If the Exhibitor elects to have Hargrove store any of the Exhibitor Materials prior to the Show, the Exhibitor agrees to deliver all the Exhibitor Materials to Hargrove's warehouse prior to the published deadline date. Hargrove reserves the right to charge, and the Exhibitor agrees to pay, in addition to the initial material handling charges for shipments to the advance warehouse, an additional charge in an amount equal to fifty percent (50%) of the advanced crated rate per cwt if the Exhibitor Materials are delivered to the warehouse after the published deadline. If the Exhibitor elects to ship deliveries direct to the Show venue, the Exhibitor agrees to deliver Exhibitor Materials beginning on the date as published in the Service Manual in respect of direct to Show venue deliveries. Hargrove also reserves the right to charge, and the Exhibitor agrees to pay, an additional charge in an amount equal to fifty percent (50%) of the DIRECT crated rate per cwt if the Exhibitor Materials are delivered to the Show venue before the published date for direct to Show venue deliveries.
- (c) Packaging. The Exhibitor shall be solely responsible for packaging and labeling all Exhibitor Materials. The Exhibitor acknowledges that the Exhibitor Materials shall be handled by Hargrove utilizing forklifts and other similar means and agrees to package all materials accordingly. The Exhibitor shall label all Exhibitor Materials with the name of the Show, the Exhibitor's company name, and booth number. Hargrove shall not be responsible for crates and packaging which are unsuitable for handling, in poor condition, or have prior damage. Hargrove does not accept for handling any packaging containing hazardous materials. Any materials requiring specialized storage, including but not limited to accessible, dry, or refrigerated storage, are stored at the Exhibitor's own risk. Hargrove shall not be responsible for damage to loose or uncrated materials, pad-wrapped or shrink-wrapped materials, glass breakage, concealed damage, carpets in bags or poly, or improperly packed or labeled materials, or for damage to goods requiring specialized storage.
- (d) Empty Containers. Hargrove shall make available empty container labels at the Hargrove Exhibitor Service Center. The Exhibitor agrees to affix an "empty" label on all empty packaging and to remove all previous labels. The Exhibitor acknowledges that Hargrove: (i) shall assume that all packaging labeled as "empty" contain no materials therein; and (ii) assumes no responsibility, and shall not be liable, for any loss or damage to any Exhibitor Material while such materials are in an empty storage container.
- (e) Carriers and Loading. In no event shall Hargrove or its subcontractors be liable for any damage to the Exhibitor Materials after the same have been delivered to the Exhibitor's appointed carrier, shipper, or agent for transportation after the conclusion of the Show. The Exhibitor agrees that Hargrove and/or its agents shall load the Exhibitor Materials onto the carrier under the directions from the carrier or driver of that carrier. If any employee of Hargrove or if any of Hargrove's subcontractors signs a delivery receipt, Material Handling Agreement, Bill of Lading, or any similar documentation (collectively, "Material Handling Agreements"), it is agreed that Hargrove and its subcontractors are doing so on behalf of the Exhibitor, and the Exhibitor accepts the responsibility of said shipment. Any loading onto the carrier will be understood to be under the exclusive supervision and control of the carrier or driver of that carrier. Hargrove assumes no responsibility for loss, damage, theft, or disappearance of Exhibitor Materials that arises out of improperly loaded or labeled materials.

- (f) Unattended Materials. The Exhibitor acknowledges that there may be a period of time after the delivery of the Exhibitor Materials to the Exhibitor's booth and the arrival of the Exhibitor and/or a period of time after the Exhibitor completes packaging of the Exhibitor Materials and the pickup of such materials in which the Exhibitor Materials are left unattended. Hargrove assumes no responsibility for any loss, damage, theft, or disappearance of any Exhibitor Materials after the same have been delivered to the Exhibitor's booth at the Show site or before they have been picked up for reloading at the conclusion of the Show. Hargrove recommends the securing of security services from the facility or Show management.
- (g) Material Handling Adjustments. All Material Handling Agreements submitted to Hargrove by the Exhibitor will be checked at the time of pick-up from the booth and corrections will be made where discrepancies exist between the quantities of items on any form submitted to Hargrove and the actual count of such items in the booth at the time of pick-up. Hargrove is not responsible for any wait time or other charges including business center charges arising from delivery or pick-up of the Exhibitor's materials.
- (h) Materials Left Behind. If the Exhibitor fails to arrange to have any Exhibitor Materials returned to the Exhibitor after the conclusion of the Show, whether through Hargrove or otherwise, the Exhibitor agrees that Hargrove shall have the right, but not the obligation, to arrange to have such Exhibitor Materials returned to Hargrove's warehouse. Hargrove and its subcontractors reserve the right to change designated carriers if the carrier assigned by the Exhibitor does not pick up Exhibitor's freight on time. Consistent with the foregoing, the Exhibitor agrees that, in such circumstances, the Exhibitor will be solely responsible for payment to the replacement carrier that Hargrove and its subcontractors utilize. Hargrove and its subcontractors assume no responsibility as a result of engaging a replacement carrier. The Exhibitor further agrees to reimburse Hargrove for any costs and expenses incurred in removing and transporting such Exhibitor Materials, including but not limited to the costs of shipment and storage. Notwithstanding anything contained herein to the contrary, removal of Exhibitor Materials is the exclusive responsibility of the Exhibitor, and Hargrove shall have no responsibility for removing such materials and shall not be liable for any loss, damage, theft, or disappearance of Exhibitor Materials left at the Show premises subsequent to the termination of the Show.
- (i) Limitation of Liability for Material Handling. If, and only if: (a) the Exhibitor's property is lost or damaged due to the performance or nonperformance of services provided by Hargrove or its subcontractors, or due to the negligence of Hargrove, its subcontractors or their employees; and (b) if such losses were not substantially caused or contributed to by the Exhibitor or its carrier, including but not limited to the failure to properly pack the Exhibitor Materials, the failure to properly label the Exhibitor Materials, or the failure to secure the Exhibitor Materials at the Show premises (those circumstances described by the preceding subsections (a) and (b) being referred to herein as the "Hargrove Material Handling Liability Circumstances"), Hargrove and its subcontractors shall be liable to the Exhibitor in an amount not to exceed the lesser of the following ("Hargrove Material Handling Liability Cap"): (i) \$.30 per pound per article, with a maximum liability of \$50.00 per item; or (ii) \$1,000.00 per shipment, incident, occurrence or other claim of any nature whatsoever. The Exhibitor agrees that the amounts set forth in the immediately preceding sentence constitute the maximum amount for which Hargrove could be liable to the Exhibitor for damages to Exhibitor Materials. For the avoidance of doubt, Hargrove's obligation to compensate the Exhibitor for loss or damage to the Exhibitor Materials shall be limited solely to the Hargrove Material Handling Liability Circumstances and in an amount not to exceed the Hargrove Material Handling Liability Cap.
- (j) Declarations of Declared Value. Declarations of the "declared value" of the Exhibitor Materials are between the Exhibitor and the selected carrier only, and are in no way an extension of Hargrove's maximum liability stated herein or an increase to the Hargrove Material Handling Liability Cap. Hargrove will use commercially reasonable efforts to transmit the declared value instructions to the selected carrier; however, Hargrove will not be liable for any claim arising from the transmittal of, or failure to transmit, declared value instructions to the carrier nor for failure of the carrier to uphold the declared value or any other term of carriage.

- (k) Claims for Damage to Exhibitor Materials. The Exhibitor agrees to present any claim for damages to the Exhibitor Materials alleged to have been caused by Hargrove and/or its subcontractors to Hargrove by the move-out date, unless the alleged damage relates to shipping services, in which case a claim must be presented to Hargrove within ten (10) days of receipt of the Exhibitor Materials either by the Exhibitor or its appointed carrier, whichever is earlier ("Exhibitor Material Damage Claim Period"). Hargrove and/or its subcontractors shall not be responsible for any claim not presented within the foregoing timeframe and the Exhibitor agrees to release all claims and causes of action arising from damage to the Exhibitor Materials not presented to Hargrove within the Exhibitor Material Damage Claim Period.
- (I) Lien. The Exhibitor hereby grants to Hargrove a security interest in and a lien on all of the Exhibitor Materials and all of the proceeds thereof, including but not limited to any insurance proceeds (collectively, "Collateral"), to secure the payment of all amounts owed by the Exhibitor to Hargrove, whether for services, goods, labor or supplies provided by Hargrove or its subcontractors or for costs advanced by Hargrove for the benefit of the Exhibitor (collectively, "Obligations"). Hargrove shall have all of the rights and remedies of a secured party under the Uniform Commercial Code, as may be amended from time to time ("UCC"), and any notice that Hargrove is required to give under the UCC of a time and place of a public sale or the time after which any private sale or other intended disposition of any Collateral is to be made shall be deemed to constitute reasonable notice if such notice is mailed by registered or certified mail at least five (5) days prior to such action. Hargrove shall maintain the right to retain any Collateral for so long as there are any Obligations that remain unpaid or unsatisfied.

4. LIMITATIONS ON LIABILITY.

- (a) Remedy Limitation. Except in instances in which the Exhibitor alleges damages to its Exhibitor Materials (in which case the limitation set forth in the Section of this Agreement which is captioned "Limitation of Liability for Material Handling" shall apply), in the event of a breach by Hargrove of this Agreement or any other agreement between Hargrove and the Exhibitor, whether such breach results from non-conforming goods, services or otherwise, the Exhibitor's sole and exclusively remedy shall be limited to the reduction or elimination of the charge or charges billed to the Exhibitor for that portion of the goods, services or work that was nonconforming.
- (b) Limitation on Consequential Damages. In no event shall Hargrove be liable to the Exhibitor or to any other party for special, collateral, exemplary, indirect, incidental, consequential, or punitive damages, whether in contract or in tort, even if Hargrove has been advised or has notice of the potentiality of such damages. Such excluded damages include, but are not limited to, lost profits, loss of use, and interruption of business or other consequential or indirect economic loss.
- (c) Indemnification. Exhibitor hereby agrees that it shall indemnify, defend and hold harmless Hargrove and each of its affiliated entities, directors, members, managers, directors, officers, employees, agents, representatives, attorneys and consultants (collectively, "Hargrove Indemnitees") from and against any and all claims, demands, settlements, judgments, liabilities, obligations, losses, penalties, damages, charges, costs, expenses, attorneys' fees and court costs (collectively, "Losses"), including but not limited to Losses arising from property damage, personal injuries or death, which may be imposed upon, incurred by, or asserted against, the Hargrove Indemnitees in any matter arising out of or related to the Exhibitor's use of, or otherwise associated with, the Show premises and/or any of the services, materials, labor or goods rendered or provided by Hargrove in connection with the Show, as the case may be, even if such Losses were caused by the Hargrove Indemnitees' own negligence. Notwithstanding the terms of the preceding sentence to the contrary, the Exhibitor shall not be obligated to indemnify, defend, or hold harmless the Hargrove Indemnitees: (i) to the extent such Losses are caused by the fraud, gross negligence, or willful misconduct of the Hargrove Indemnitees; or (ii) from or against any of the Hargrove Indemnitees' lost profits or indirect, special, consequential, exemplary or punitive damages.
- (d) Waiver and Release. As consideration for the various services rendered by Hargrove to the Exhibitor, whether directly or indirectly as the general services contractor for the Show, Exhibitor waives, releases, acquits and forever discharges the Hargrove Indemnitees from all liability whatsoever for any claims, damages, losses, or injuries arising out of the matters for which Hargrove has disclaimed liability for under this Agreement.

(e) DRIVER LIABILITY WAIVER. IN CONSIDERATION OF HARGROVE PERMITTING ENTRANCE TO THE SHOW PREMISES, THE EXHIBITOR AND ANY DRIVER ACTING ON BEHALF OF THE EXHIBITOR OR AT THE REQUEST OF THE EXHIBITOR, THE DRIVER'S EMPLOYER, THE OWNER OF THE TRUCK AND/OR EQUIPMENT THAT THE DRIVER IS OPERATING ("TRUCKOWNER"), AND ANY AGENT OF THE DRIVER'S EMPLOYER OR THE TRUCKOWNER, HEREBY ASSUME ALL RISK OF INJURY OR HARM TO THE DRIVER AND OTHERS AND DAMAGE TO THE DRIVER'S PROPERTY AND PROPERTY BELONGING TO THE DRIVER'S EMPLOYER OR OTHERS ARISING FROM THE DRIVER'S ACTIVITIES WHILE BEING PERMITTED TO ENTER THE PREMISES. THE DRIVER AGREES TO ENTER AT THE DRIVER'S OWN RISK. THE DRIVER HAS FULL KNOWLEDGE OF ANY RISK INVOLVED IN THIS ACTIVITY. THE DRIVER RECOGNIZES THE HAZARDS AND IS AWARE OF ALL THE RULES FOR SAFE OPERATION. THE EXHIBITOR, THE DRIVER, THE DRIVER'S EMPLOYER, THE TRUCKOWNER, AND THEIR RESPECTIVE EMPLOYEES, OFFICERS, DIRECTORS, AGENTS, ASSIGNS, AFFILIATED COMPANIES AND RELATED ENTITIES, JOINTLY AND SEVERALLY, AGREE TO INDEMNIFY AND HOLD HARGROVE HARMLESS AGAINST ANY AND ALL LIABILITY, ACTIONS, CLAIMS, AND DAMAGES OF ANY KIND WHATSOEVER ARISING FROM THE DRIVER'S ACTIVITIES WHILE BEING PERMITTED TO ENTER THE PREMISE.

5. MISCELLANEOUS.

- (a) Labor Under Supervision of Exhibitors. If the Exhibitor elects to secure labor directly from Hargrove to work under the Exhibitor's supervision, the Exhibitor shall be responsible for supervising such labor in a reasonable manner so as to prevent bodily injury and/or property damage and also to direct them to work in a manner that is in compliance with Federal, State, County and Local ordinances, rules and/or regulations, including but not limited to Show or Facility Management rules and/or regulations.
- (b) Liability for Actions of Labor Secured from Hargrove. The Exhibitor acknowledges and agrees that, if the Exhibitor secures labor from a Hargrove employee to perform work for the Exhibitor (whether under the direction of Hargrove or the Exhibitor), such employee shall act on behalf of and as an agent for the Exhibitor at all times the employee is rendering services on behalf of the Exhibitor. Consistent with the foregoing, Hargrove shall have no liability for any damages caused by such employee while rendering services on behalf of the Exhibitor.
- (c) Choice of Law/Consent to Jurisdiction. Any dispute arising under or related to this Agreement or the services rendered by Hargrove in connection with the Show, including but not limited to the construction of this Agreement, shall be governed by the laws of the State of Maryland, exclusive of conflicts of law principles. The Exhibitor agrees to the exclusive jurisdiction and venue of the state and federal courts located within the State of Maryland for the purposes of any suit related to such a dispute.
- (d) Force Majeure. Hargrove shall not be deemed to be in breach of this Agreement or any other agreement with the Exhibitor to the extent that performance of Hargrove's obligations is prevented by an act of God, war, government regulations, terrorism, disasters, strikes, civil disorder, curtailment of transportation facilities, any emergency beyond Hargrove's control, or any other occurrence which would make it illegal or impossible for Hargrove to perform its obligations under this Agreement.
- (e) Headings. The headings used throughout this agreement are inserted for convenience only and shall not be used to interpret or construe the meaning or terms of this Agreement.

Security Guidelines

- Do not assume the exhibit hall is secure. Each exhibitor must take responsibility for the security of all the items in his or her booth. Hargrove, Show Management, facility personnel and the security contractor try to guard against theft and damage, but the ultimate burden falls on the exhibitor.
- Do not list the contents of crates and cartons on your shipping labels. A label that reads "27" color monitor" is an open invitation for thieves.
- Do not leave your booth unattended during the hectic and heavily populated move-in and move-out times.
- Consider covering your exhibit with some sort of cloth at the close of each day. The psychological deterrent makes it more difficult for people to handle merchandise. Criminals often look for the easy mark first.
- Business tools such as laptop computers, recorders, calculators, and give-away items are the things most often stolen. They should be guarded and stored safely at night.
- Thieves will also take personal items such as purses, suit coats, and toolboxes. Do not leave personal items unprotected in your booth.
- Never store items in containers marked "Empty."
- Show management may provide security to prevent entry to the exhibit area by anyone not authorized. This
 security service does not guarantee exhibitors against loss. Nor does it imply an assumption of liability for an
 exhibitor's property by Hargrove, Show Management, or their agents.
- Your exhibit materials should be insured from the time they leave your facility until the time they return. Consult with your insurance agency about adding a rider to your existing policy.

Hargrove is the exclusive cleaning contractor for this show.

All vacuuming, general cleaning, mopping and shampooing orders are computed based on the gross square footage of your booth, with a minimum of 100 square feet.

Additional/Special Event Vacuuming is available for those who need more than the once daily pre-show service (such as a second service mid-day or vacuuming before a celebrity appearance or the Sneak Peek). This Additional service is also based upon the square footage of your booth and is charged per instance. Be sure to indicate below the day(s) and approximate time(s) if ordering this service.

Porter service is trash removal periodically throughout the show days. This service is recommended for exhibitors with lots of giveaways or food service.

HELPFUL HINTS: To calculate your vacuuming/cleaning rate, multiply the length of your booth by the width to get the total square footage (i.e., quantity). Then, multiply the square footage (quantity) by the vacuuming/cleaning price. Please note that porter service is a daily rate.

Material Handling Information

As the General Service Contractor / Official Drayage Contractor for this show, Hargrove, LLC ("Hargrove") will schedule the moving in and out of all Exhibitor Material. All shipments, if it is possible, should be received at Hargrove's warehouse prior to the published deadline date. Shipments received at Hargrove's warehouse after the delivery deadline will incur an additional 50% (late-to-warehouse) charge. Refer to Hargrove's "General Information" pages for the address and specific dates and times for warehouse freight receiving for this Event / Show.

If permitted, you may ship directly to the exhibit hall provided delivery is scheduled for published move-in or show dates. Refer to Hargrove's "General Information" for the address and specific dates and times for show-site freight receiving for this Event / Show.

When shipping your materials, please include the name of the Event / Show, your company name, and your booth number on each piece. For your convenience, sample labels are provided in the Service Manual. You may copy these labels or use your own if you need more labels than provided.

To ship with Hargrove, request a quote or contact Hargrove Shipping at 301.306.4620 or Shipping@hargroveinc.com.

Material Handling includes:

- Receiving and unloading your shipments at Hargrove's warehouse (30 days of free storage prior to Event / Show date).
- Reloading onto a Hargrove trailer.
- Delivery of shipment to exhibit hall.
- Placement of shipment in your booth space.
- Removal and storage of empty containers.
- Return of empties to booth at close of Event / Show. [Note: All containers must be empty when stored, Hargrove assumes no liability for material or equipment left inside a container marked as empty.]
- Removal of all packed and labeled materials from exhibit booth.
- Reloading onto outbound carrier for return shipment (based on shipping information provided in your Hargrove Material Handling Agreement).

Charges for the above services will be based on the inbound weight only, whether the above services are used completely or in part. Refer to the Material Handling Estimate form for detailed pricing information. Weight is rounded up to the next hundred pounds. Shipments received without weight tickets that are weighed by Hargrove may be charged special handling.

Overtime / Off-Target

An overtime and/or off-target surcharge, per cwt, for each occurrence will apply if:

- Your advance shipment is received at the warehouse on straight time but delivered to the Event / Show site on overtime due to scheduling.
- Your shipment is moved to or out of Event / Show site on overtime due to scheduling.
- Your shipment is received on overtime (Monday-Friday before 8:00 AM and after 4:30 PM, or any weekend hours or holidays).
- Your direct shipment is received at Event / Show site outside of the exhibitor move-in schedule.

Special Handling

Special handling is defined as shipments that are loaded by cubic space and/or packed in such a manner as to require special handling such as:

- No weight tickets
- Loose or uncrated shipments
- Ground or side door loading
- Mixed shipments
- Stacked shipments

Outbound Instructions

At the close of the Event / Show, each Exhibitor must complete a Hargrove Material Handling Agreement and shipping labels for its Exhibitor Materials. Blank Material Handling Agreements and labels are available at the Hargrove Service Center. If any shipment is left in a booth for which no disposition is provided, or if a requested carrier fails to pick up or refuses to take shipment, Hargrove will re-route such shipment or return material to Hargrove's warehouse at the Exhibitor's expense.

Material Handling Hints

The information below summarizes the most commonly asked questions regarding freight/material handling, often referred to as drayage. This can be the most costly budget item for exhibitors.

Tips that can save you money:

Read the shipping and material handling section of your service manual carefully. Be aware of any surcharges that may be assessed for special handling or late shipments. Pay special attention to deadline dates. If you ship in advance to our warehouse and your shipment arrives after the published deadline date, you may be assessed a surcharge. Crated materials are the easiest to unload, therefore, have the least expensive drayage charge. Loose, pad wrapped and uncrated materials require more labor time and therefore may be assessed a special handling fee. It may be cost effective for you to build crates for any portion of your exhibit that is not crated.

What is "Material Handling/Drayage?"

The term "drayage" is the moving of exhibit materials from one location to another. Whether you ship to Hargrove's advance warehouse or directly to show site, your materials still need to get to your booth location. Drayage services include the accepting of your material either at the warehouse or at show site, delivery to your booth, storage of empty containers during the show, returning empty containers at the close of the show, picking up your packaged materials, returning them to the dock, and loading on the carrier of your choice.

Can I carry my own materials to my booth?

Usually, an exhibitor may bring in his own materials providing such materials can be hand carried by one person in one trip, without the use of dollies, hand trucks or any other equipment. Read the Union Rules & Regulations for the specific rules regarding the show/facility.

How are rates determined?

Drayage charges are based on a number of factors including labor rates, facility dock access, and the show schedule, to name just a few. These rates vary from city to city.

How is the weight of my shipment determined?

Certified weight tickets, which should be attained by all drivers for materials prior to arrival at the warehouse or show site dock, are used to determine billable weight. Hargrove reserves the right to determine weights for all shipments for which weight tickets are not provided with delivery. When Hargrove weighs the shipment, the exhibitor will be charged for special handling.

Small shipments vs. large shipments:

Most all Service Contractors have a minimum of 200 lbs. per shipment. It is best to send your freight as one large shipment versus several small shipments. For instance, if you send one 45 lb. and one 55 lb. package separately, you are charged the minimum on each shipment. If you plan to ship items from various locations, you may want to consolidate them at a central location then forward them to the Service Contractor's warehouse or show site. However, if you ship your materials in one shipment and the carrier makes multiple deliveries, you will be charged for each delivery to the dock, regardless of whether or not the materials were shipped together as one shipment.

Advance shipments vs. direct (to show site) shipments:

In general, it is best to ship your materials to the "advance shipment" address. The charge for this may be slightly higher than shipping direct to show site but the benefit far outweighs the cost. You can (and should) confirm that we have received your materials well in advance of the show installation; if there is a problem it can then be solved prior to the show. When shipping direct, if there is a problem there is seldom time to resolve the problem prior to show opening. Another advantage to advance shipments is that your materials will be in your booth when you arrive and you can begin installation immediately, thus saving you time and frustration at show site.

Should I insure my exhibit?

The answer is YES! It is your responsibility to make sure your freight is insured from the time that it leaves your office until it returns. A rider to your existing policy can usually do this. Check with your insurance carrier for details.

Finally:

Always be aware of freight receiving deadlines. You will be assessed a late charge if your shipment arrives after the deadline date. Inform your shipper that all items must arrive prior to a specific date.

Make sure all materials are labeled properly to avoid any delivery delays. All pieces should have the recipient's name and address, the show name, your company name, and your booth number. Remove old labels after every show to avoid any future confusion. If you are shipping multiple pieces, label them as such: 1 of 4; 2 of 4; 3 of 4; etc.

Material Handling Estimate

Material Handling is billed by the hundredweight (CWT) per shipment, with a 2 CWT minimum. Small packages (30 pounds or less per shipment) are billed per piece. When computing material handling costs, remember to round up to the next hundred pounds. For example, a delivery that weighs 347 pounds will be billed at 4 CWT.

Shipments received without weight tickets will be weighed and charged special handling rates. Special handling rates also apply to shipments requiring additional or double handling, including pad-wrapped, un-skidded and double-stacked shipments; side-door, constricted-space and/or ground-level unloading, and oversized crates.

Any freight received at the Advance Warehouse or Direct to Show Site will be subject to 100% of Material Handling Fees outlined in this manual.

Material Handling charges will appear on your statement after actual inbound and outbound shipments have been processed.

Exhibitor Appointed Contractors (EAC) & Third Parties

What is an exhibitor appointed contractor (EAC)?

An Exhibitor Appointed Contractor (EAC) is an Install and Dismantle Company (I&D) used by exhibitors to set up and dismantle booth properties and submit Material Handling Agreements at the close of the show. The Notice of Intent to Use an EAC form (NOI) contains information on what qualifies as an approved EAC and requirements for the Certificate of Insurance (COI). The NOI must include the exhibitor's signature and is due 30 days prior to Exhibitor Move-In. The exhibitor is responsible for initiating this document with the EAC and submitting the form. The NOI is not to be sent to the contractor. In some cases, Show Management will include an EAC form of their own in the service manual. The two forms are not interchangeable. We can only accept the Hargrove EAC form.

What is a Third Party?

An exhibitor may arrange for an exhibit house or such other third party to handle their billing by choosing that option in the Notice of Intent to Hire form. As the exhibitor, you are responsible for all charges incurred at the show should your third party fail to meet the required payment terms.

This form will only be accepted if it is executed by an authorized representative of the exhibiting company and includes: Hargrove's EAC process can be completed entirely online at: hargroveinc.boomerecommerce.com

Below are the steps to Hargrove's EAC process, to be completed by the Exhibitor and EAC (as noted):

STEP 1: Submit NOI - Exhibitor

Exhibitor must complete this Notice of Intent ("NOI") to Use EAC form and submit 30 days prior to move-in to allow EACs time to submit the relevant documentation. The EAC cannot sign the NOI on your behalf, this must be signed by the Exhibitor leasing the exhibit booth space. Once your NOI is submitted, please inform your EAC to access the EAC Agreement and Rules and Regulations form.

STEP 2: Submit Agreement and Rules and Regulations - EAC

EAC completes the Agreement and Rules and Regulations between Hargrove, LLC. and EAC. The document has a link at the bottom which allows the EAC to follow to access Hargrove's vendor, CERTFOCUS BY VERTIKAL' website to register, pay a \$21 fee and upload a valid COI.

STEP 3: Submit COI - EAC

EAC will register, pay the \$21 fee and upload a valid, compliant COI, no later than 14 days prior to move-in. CertFocus by Vertikal will review the COI for all levels of compliance and will communicate directly with EAC regarding acceptance status.

EACs with multiple booths on shows: If EAC is working multiple booths at a show, please complete ONE Agreement and Rules and Regulations between Hargrove, LLC. and EAC and list all booth names and numbers on the one agreement. By doing this you will only be required to submit one (1) COI for all booths and one (1) Agreement for all booths contracted to your company for that show.

****Please note that a COI must be submitted to CertFocus by Vertikal no later than 14 prior to move-in. If COIs are not submitted within 14 days of move-in, EACs will be required to submit late COIs directly to Hargrove and will be assessed an additional \$100 administrative fee.

All Certificates of Insurance must be uploaded through CertFocus by Vertikal here: https://hargroveportal.vertikalrms.com/

Certificate of Insurance (COI) Guidelines

- If the letter is not submitted, the exhibitor can also be listed on the COI. The exhibitor can be listed on the COI either as additional insured, under the description of operations/locations/vehicles section, or under the additional remarks section.

All rental equipment must be returned to PROJECTION in the same condition as it was in at the time of delivery to EXHIBITOR, reasonable wear and tear excluded. EXHIBITOR will immediately notify PROJECTION of any damage to the rental equipment, and EXHIBITOR hereby agrees to be billed for any damage to, or loss of, rental equipment damaged while in EXHIBITOR's care, custody and / or control. In no event shall EXHIBITOR permit any equipment to be used and/or possessed by other exhibiting parties other than the named EXHIBITOR without prior consent of PROJECTION in each instance.

Orders received without advance payment or after the deadline date will incur additional charges as indicated on the order form. All materials and equipment are on a rental basis for the duration of the event and remain the property of PROJECTION except where specifically identified as a sale. It is the EXHIBITOR'S responsibility to advise our Exhibit Service Personnel of any problem with any order, and to check invoices for accuracy prior to the close of the exhibit. If you are exempt from payment of sales tax, PROJECTION requires you to forward an exemption certificate for the state in which the services are to be used. Resale certificate are not valid unless EXHIBITOR is rebilling these charges to its customers. For International exhibitors, PROJECTION requires 100% prepayment of advance orders, and any orders or services placed at show site must be paid at the show.

These payment terms and conditions shall be governed by and construed in accordance with the LAWS OF THE STATE OF VA. In the event of any dispute between the EXHIBITOR and PROJECTION relative to any loss, damage, or claim, such EXHIBITOR shall not be entitled to and shall not withhold payment, or any partial payment, due to PROJECTION for its services, as an offset against the amount of any alleged loss or damage. Any claims against PROJECTION shall be considered a separate transaction, and shall be resolved on its own merits. PROJECTION reserves the right to charge EXHIBITOR for the difference between the EXHIBITOR'S estimate of charges and the actual charges incurred by EXHIBITOR, or for any charges that PROJECTION may be obligated to pay on behalf of EXHIBITOR, including without limitation, any shipping charges.

Unpaid Balances

Should there be any pre-approved unpaid balance after the close of the event, terms will be net, due and payable in Springfield, VA upon receipt of invoice. Effective 30 days after invoice date, any unpaid balance will bear a FINANCE CHARGE at the lesser of the maximum rate allowed by applicable law, or 1.5% per month, which is an ANNUAL PERCENTAGE RATE of 18%, and future orders will be on a prepayment basis only. If any finance charge hereunder exceeds the maximum rate allowed by applicable law, the finance charge shall automatically be reduced to the maximum rate allowed, and any excess finance charge received by PROJECTION shall be either applied to reduce the principal unpaid balance or refunded to the payer.

- HTE installs all motor and equipment hook-ups requiring hard wiring connections.
- HTE performs all installations and/or repair of electrical fixtures.
- HTE performs installations of all electrical motors and electrical apparatus to be energized.
- HTE electrical labor is required to inspect pre-wired equipment that connects to HTE distribution systems. Exhibitor must give HTE notice of intended use of pre-wired equipment and schedule an inspection by HTE. HTE is not responsible for any loss or damage resulting from the use or installation of pre-wired equipment. The exhibitor is responsible for any loss or damage caused by the use or installation of pre-wired equipment to Hi-Tech distribution systems.
- HTE provides labor for all overhead truss rigging and overhead booth lighting.
- HTE performs all installations of electrical cords under any booth space flooring.
- The exhibitor, Display House, and Show General Contractor will indemnify HTE for any and all workrelated accidents.

SPECIAL EQUIPMENT

- Special Equipment orders require 30 days' notice prior to move-in.
- If the exhibitor has special equipment (due to size, weight, access to booth, etc.) HTE needs to be
 notified to assess if installation for surrounding booths needs to be delayed in order to provide a
 safe path for special handling or additional delivery space. If the special equipment damages any
 HTE equipment, and/or requires dismantle and installation of materials at any booth, the exhibitor
 of the special equipment is fully responsible for repair and associated labor costs.

HI-TECH ELECTRIC MATERIALS

- All materials and equipment furnished by HTE shall remain the property of HTE and shall be removed only by HTE at the close of the show.

RAMPING UTILITY LINES

All ramping of utility lines in booth are done on straight time plus materials. Laying of lines under carpet or floor or spotting from ceiling will incur additional labor charges. Minimum per removal of lines is 1 hour each. Floor plan is required with order to show location of lines.

ESTIMATES / REVISIONS

- Estimate requests are encouraged for budgeting purposes. Requests must be received 14 days in advance before move-in begins, in order to prevent delays in processing. A supporting floor plan(s) must accompany the estimate request. After the deadline, estimates may not be provided due to time restrictions, and are subject to a fee. Reductions made to an existing order are subject to a 10% surcharge.
- Check, wire or ACH payments for services require a mandatory estimate. Any balance will be charged to the credit card on file unless other arrangements are made.
- If an incentive rate quote is provided after the deadline, the customer will have 3 business days to pay on the quote before the base rate will automatically go into effect.

- All balances must be settled prior to event closing. An outstanding balance may preclude the exhibitor
 from retaining HTE services at any future event domestically or internationally. Any amount not paid
 at event closing is subject to interest up to the maximum amount allowed by law. Any outstanding
 balance is subject to in-house collections or to a credit reporting debt collection agency.

 of the event.
- For safety precautions, all Island Booth power will be turned off after the installation is completed and tested. Once carpet is installed, exhibitor will need to notify HTE for the energizing of electricity.

DELAYS

- In the event the completion of work is prevented or delayed due to damage or destruction of the building, fire, accident, vandalism, earth movement, hurricane, tornado, windstorm, theft, labor strikes, warfare, material shortage, delay of any governmental agency in issuing any required permit or certificate, or in performing inspections, litigation, or any act of God, HTE is due payment for all executed work, labor, and materials.
- If your booth is located in front of a freight door/aisle, for safety reasons, it is at our discretion to
 delay installation until freight traffic decreases. This may result in overtime labor charges at no fault
 of HTE. If the responsible party still insist on installation earlier than scheduled, the exhibitor will be
 responsible for all repair costs of any damaged HTE materials (see page 4 "Hi-Tech Electric
 Materials" section).

INDEMNITY

Exhibitor agrees to indemnify, hold harmless, and defend HTE, its officers, directors, employees, agents, and representatives from and against any claim, demand, cause of action, loss, expense, or liability from or in connection with Exhibitor's negligent acts or omissions of, or breach of this Agreement by the Exhibitor, in connection with the performance of its obligations under this Agreement.

Frequently Asked Questions

DOES SMART CITY NETWORKS PROVIDE COMPLIMENTARY WI-FI?

Yes! Smart City Networks provides complimentary Wi-Fi in most designated public areas of the facility, such as the concourse lobbies and food courts. Check with your specific venue for locations. This service is made available to approximately 30 million guests, visitors, and attendees at our convention centers throughout the country. There is no requirement to purchase a Smart City Networks service in order to take advantage of the complimentary Wi-Fi.

WHY DOESN'T SMART CITY NETWORKS PROVIDE COMPLIMENTARY WI-FI IN THE EXHIBIT HALLS?

Exhibit halls are not public areas since this space is typically licensed to a company, government agency, or trade association for a private event. The space license agreement governs the availability of a range of services for the event and the license may or may not call for complimentary Wi-Fi services.

WILL MY PERSONAL HOTSPOT (MI-FI) WORK IN YOUR BUILDING?

Yes – however, the capability of your personal mobile hotspot is limited by your cellular carrier by the spectrum and Internet bandwidth capacity they have made available. Cellular carrier signals penetrate into a facility either from a nearby cellular tower or via an in-building Distributed Antenna System (DAS). It is important to remember that your personal mobile hotspot is obtaining a wireless signal from a shared cellular network, so service may be disrupted or become unreliable due to user density and demand on the carrier's network. In all cases, you have the option to take advantage of the complimentary Wi-Fi throughout the public areas, or if you choose, you can purchase an upgraded package based on your service requirements.

WHAT MUST BE IDENTIFIED ON MY FLOORPLANS?

Floor plans should include the surrounding booth numbers for orientation, measurements and easy identification of all required end location(s). Be sure to distinguish your main distribution line (MDL) and additional patch cables. Please reference Smart City's Communications Floorplan Worksheet.

TIP: Most of our venue's data jacks originate from a floor pocket. Be sure to submit a completed floorplan prior to the first day show move-in to avoid any additional labor charges.

Order online at:

orders.smartcitynetworks.com

or call 888.446.6911

DO YOU OFFER INCENTIVE RATES?

Yes! Orders received along with payment by the incentive deadline date will receive our early incentive pricing.

WHY ARE ROUTERS NOT ALLOWED ON A SHARED NETWORK?

Many times, Smart City has found that routers on a shared network are installed incorrectly, which can cause problems for other users of the network. Additionally, an accurate count of the number of devices on the network is required to determine the appropriate network size and bandwidth available to the network. For more information and to request the build-out of a special system to meet your needs, contact our team today for a quote.

CAN I PROVIDE MY OWN SWITCH AND/OR CABLING?

Yes, you can provide your own switch and patch cables for in booth cabling. Unless otherwise mandated by the venue.

Please Note: Connectivity can be guaranteed only to the point where Smart City Networks' services originate in the booth. Smart City Networks cannot guarantee service on customer/exhibitor-provided cable(s) and/or equipment. Any request for trouble diagnosis or problem resolution found not to be the fault of Smart City Networks (such as faulty equipment or damaged cable) may be billed to the exhibitor at the prevailing labor rate.

HOW MUCH BANDWIDTH DO I NEED?

To identify how much bandwidth you should require, please reach out to a technical representative in your organization, review your program specifications listed with any demonstrations or downloads you plan to run.

WHAT DOES SD, HD, AND UHD STAND FOR?

SD, HD, and UHD are the abbreviated names of three video streaming formats. The basic difference between each of the formats is the number of pixels comprising the video image. The greater the pixel count the sharper and more detailed your video will be.

FORMAT	RESOLUTION	BANDWIDTH REQUIRED
Standard Definition (SD)	720x480	3.0-5.0 Mbps
High Definition (HD)	1280×720 & 1920×1080	5.0-8.0 Mbps
Ultra High Definition (UHD)	3840×2160	25 Mbps

DESCRIPTION OF OUTLET LOCATION & DISTRIBUTION CHARGES

Outlet Locations: All first outlets will be installed on the floor at the back wall of booth. Added outlets must be indicated on floor plan and will be charged on a time and material basis.

Special Equipment:

- Hi-Tech Electric (HTE) requires 30 days-notice prior to move-in to supply special regulators, strainers, traps, etc.
- If the exhibitor has special equipment (due to size, weight, access to booth, etc.) HTE needs to be
 notified to asses if installation for surrounding booths needs to be delayed in order to provide a safe
 path for special handling or additional delivery space. If the special equipment damages any HTE
 equipment, and/or requires dismantle and installation of materials at any booth, the exhibitor of the
 special equipment is fully responsible for repair and associated labor costs.

Hi-Tech Electric Materials:

- All materials and equipment furnished by HTE shall remain the property of HTE and shall be removed only by HTE at the close of the show.
- All materials are inspected and tested upon completion. Any materials that get damaged after installation and HTE testing occurs, the cost of repair (including labor time and materials) is billable to the credit card on file

Service/ Repairs: HTE has exclusive jurisdiction to make Plumbing service connections or repairs.

Floor Coverings: Unless otherwise directed, HTE personnel are authorized to cut floor coverings to permit installations of service.

Equipment Requiring Water: All equipment using water must have an inlet and outlet properly tagged by exhibitor representative for installation by HTE.

Moisture/ Sediment/ Loss of Pressure: HTE is not responsible for the accumulation of moisture, oil, or water in air lines. Exhibitors should supply their own filter or equipment to handle moisture or water. HTE is not responsible for sediment, color, or taste of water in line. HTE is not responsible for loss of pressure. Pressure may vary. No guarantee can be made of minimum or maximum pressure. If pressure is critical, the exhibitor should arrange to have a pressure regulator valve or pump installed. HTE is not responsible for any costs associated with such accumulation in air lines or loss of pressure. Water filters are recommended and are available on request.

Cylinders: All cylinders must be firmly attached to exhibit. If cylinder must be made secure by HTE it is subject to a labor charge. A connection of a regulator to cylinder or equipment will be subject to a 1 hour minimum labor charge plus material at the prevailing labor rate.

Ramping of Utility Lines: All ramping of utility lines in booth are done on a time and material basis. Laying of lines under carpet or floor or spotting from ceiling will incur an additional labor charge.

ESTIMATES / REVISIONS

- Estimate requests are encouraged for budgeting purposes. Requests must be received 14 days in advance before move-in begins, in order to prevent delays in processing. A supporting floor plan(s) must accompany the estimate request. After the deadline, estimates may not be provided due to time restrictions, and are subject to a fee. Reductions made to an existing order are subject to a 10% surcharge.
- Check, wire or ACH payments for services require a mandatory estimate. Any balance will be charged to the credit card on file unless other arrangements are made.
- Reductions made to an existing order are subject to a 10% surcharge.
- If an incentive rate quote is provided after the deadline, the customer will have 3 business days to pay on the quote before the base rate will automatically go into effect.

SUPERVISION FEES/INVOICES

- All booths and displays with labor incur a 20% supervision fee of the total labor charge.
- Invoices are available upon request onsite at the service desk or via email. Please email dcexhibitorservices@hi-techelectric.com.

PAYMENT POLICY

- Full prepayment of services and a credit card on file are required to process any order.
- Payments must be received in full 21 days before show start to secure the incentive rate.
- All service orders must be paid in full by the move-in date.
- Accepted forms of payment are credit card, check, ACH, wire, cash. PO is not an accepted form of payment.
- The credit card on file will be processed for the final balance including labor and material upon installation completion unless HTE agreed to check or electronic payment. Those must be received by show opening; otherwise, the credit card on file will be charged for the balance.
- There is a 3.5% service fee discount on check, cash and electronic payments.
- Check payments sent via mail, must be sent via FEDEX or UPS with tracking.
- Onsite payments must be submitted only to a Customer Service Representative or HTE Management.
- No credit or refund will be issued for connections installed and not used.
- Sending a payment without a quote and/or submitted contract does not secure the incentive rate pricing. This is also not advised.
- All balances must be settled prior to event closing. An outstanding balance may preclude the exhibitor
 from retaining HTE services at any future event domestically or internationally. Any amount not paid
 at event closing is subject to interest up to the maximum amount allowed by law. Any outstanding
 balance is subject to in-house collections or to a credit reporting debt collection agency.
- Tipping or any gratuity or gift is not permitted to be accepted by any HTE personnel.

CANCELLATIONS

- Cancellation up to 21 days prior to event start date is subject to 20% charge of services ordered.
- Cancellation within 21 days of event start date is subject to 50% charge of services ordered.
- Once services are installed, there is no refund for cancellation.
- Credit card refunds are subject to a 3.3% credit card processing fee.
- Cancellation may occur at HTE'S discretion if plumbing is not paid at least 2 business days before
 move-in due to insufficient time to pull and deliver inventory.

DISCONNECTION

CLAIMS AND/OR INVOICE DISPUTES

Any claims or disputes to charges with regards to the services provided by HTE will not be placed under review by HTE management unless filed by the Exhibitor prior to the close of the exposition. Such dispute must be in writing by the Exhibitor and provided to HTE management. HTE management will conduct a billing audit and handle such disputes on a case by case basis.

DELAYS

- In the event the completion of work is prevented or delayed due to damage or destruction of the building, fire, accident, vandalism, earth movement, hurricane, tornado, windstorm, theft, labor strikes, warfare, material shortage, delay of any governmental agency in issuing any required permit or certificate, or in performing inspections, litigation, or any act of God, HTE is due payment for all executed work, labor, and materials.
- If your booth is located in front of a freight door/aisle, for safety reasons, it is at our discretion to
 delay installation until freight traffic decreases. This may result in overtime labor charges at no fault
 of HTE. If the responsible party still insist on installation earlier than scheduled, the exhibitor will be
 responsible for all repair costs of any damaged HTE materials (see page 4 "Hi-Tech Electric
 Materials" section).

LABOR RATES

- All Labor Rates are subject to the current labor contract effective at time of performed labor.
- A four (4) hour minimum applies per plumbing call and is chargeable on a case by case basis,

INDEMNITY

Exhibitor agrees to indemnify, hold harmless, and defend HTE, its officers, directors, employees, agents, and representatives from and against any claim, demand, cause of action, loss, expense, or liability from or in connection with Exhibitor's negligent acts or omissions of, or breach of this Agreement by the Exhibitor, in connection with the performance of its obligations under this Agreement.

RIGGING JURISDICTION

- Rigging includes all motorized rigging-to-building structures.
- All exhibit hall rigging must provide a floor plan for approval by HTE/GLP
- **All chain motors** for rigging must be ordered through HTE/GLP. HTE/GLP only hangs structures over 200lbs unless the hanging item is a speaker, light or a piece of special equipment. Please email to dcexhibitorservices@hi-techelectric.com for a quote.
- **Rotating motors** are available by request; however, exhibitor may also bring their own rotating motor. Unless the rotating motor is both supplied and rigged by HTE/GLP, power is not included and requires a separate order for overhead power.

- No other contractor or persons may attach motorized equipment for rigging to building. HTE/GLP is not responsible for any loss or damage resulting from any other contractor or person attaching motorized equipment to the building.

- A four (4) hour minimum applies per rigging labor call.

SPECIAL EQUIPMENT / ONSITE ORDERS

- HTE/GLP only hangs structures over 200lbs unless the hanging item is a speaker, light or special equipment.
- Special Equipment orders require 30 days' notice prior to move-in.

ESTIMATES / REVISIONS

- Estimate requests are encouraged for budgeting purposes. Requests must be received 14 days in advance before move in begins in order to prevent delays in processing. A supporting floor plan(s) must accompany the estimate request. After the deadline, estimates may not be provided due to time restrictions, and are subject to a fee.
- Estimate requests are subject to a minimum of one hour labor per revision.
- All rigging, truss lighting, and Hall DE lighting orders must be quoted.
- Rigging & lighting orders will not be accepted without sufficient drawings.
- If an incentive rate quote is provided after the deadline, the customer will have 3 business days to pay on the quote before the base rate will automatically go into effect.

 from retaining HTE/GLP services at any future event domestically or internationally. Any amount not
 paid at event closing is subject to interest up to the maximum amount allowed by law. Any outstanding
 balance is subject to in-house collections or to a credit reporting debt collection agency.
- Tipping or any gratuity or gift is not permitted to be accepted by any HTE/GLP personnel.

THIRD PARTY PAYMENT

 Exhibiting firm acknowledges the responsibility for any additional charges in the event a third party named does not make payment. All balances must be settled prior to the event closing.

CANCELLATIONS

- Cancellation up to 21 days prior to event start date is subject to 20% of services ordered.
- Cancellation within 21 days of event start date up until decorator move-in date is subject to 50% of services ordered.
- Once services are installed, there is no refund for cancellation.
- Credit card refunds are subject to a 3.3% credit card processing fee.
- Cancellation may occur at HTE/GLP's discretion if rigging is not paid at least 2 business days before move-in due to insufficient time to pull and deliver inventory.

Any claims or disputes to charges with regards to the services provided by HTE will not be placed under review by HTE management unless filed by the Exhibitor prior to the close of the exposition. Such dispute must be in writing by the Exhibitor and provided to HTE management. HTE management will conduct a billing audit and handle such disputes on a case-by-case basis.

INVOICING

Final invoices are not available until after the completion of move-out and all dismantle charges are processed and audited. This may take up to 7 business days after the event is closed.

DELAYS

In the event the completion of work is prevented or delayed due to damage or destruction of the building, fire, accident, vandalism, earth movement, hurricane, tornado, windstorm, theft, labor strikes, warfare, material shortage, delay of any governmental agency in issuing any required permit or certificate, or in performing inspections, litigation, or any act of God, Hi-Tech Electric LLC/GLP is due payment for all executed work, labor, and materials.

INDEMNITY

Exhibitor agrees to indemnify, hold harmless, and defend HTE and GLP, their officers, directors, employees, agents, and representatives from and against any claim, demand, cause of action, loss, expense, or liability from or in connection with Exhibitor's negligent acts or omissions of, or breach of this Agreement by the Exhibitor, in connection with the performance of its obligations under this Agreement.
